

**Сведения по оппонентам и ведущей организации по диссертации  
Зобниной Дарьи Игоревны**

**Официальные оппоненты**

**ФИО: Байкова Аниса Талгатовна.**

*Ученая степень:* доктор физико-математических наук, профессор.

*Специальность диссертации:* 01.03.02 – астрофизика и радиоастрономия.

*Название организации:* Главная (Пулковская) астрономическая обсерватория РАН.

*Должность:* главный научный сотрудник.
